## Millennium Child Protection Policy

Roots Millennium Schools, in keeping with our core values and vision statements, has a Child Protection Policy that guides our staff and families in matters related to the health, safety and care of students in attendance at our school. By enrolling your child at RMS, you agree to work in partnership with the school and abide by the policies adopted by the RMS Board. The RMS Child Protection Policy defines the standards by which all RMS students should be treated with respect and dignity at all times and there should be no physical punishment/harassment/use of abusive words. Nothing is more important than the safety of our students. When they are safe and happy, they learn and thrive.
